MILKWEED FOR MONARCHS

PRESENTED BY THE BEDFORD
MONARCH CONSERVATION
COMMITTEE

Scan for the Monarch Lovers in SE
Michigan & NW Ohio Facebook page

Join us for a presentation about what's happening to the Monarch Butterfly, why they are on the verge of extinction, and ways you can help change the outcome of this very special butterfly. In the workshop portion of this event, each guest will be planting milkweed seeds in a milk jug to take home to plant in the spring. Milk jugs and supplies will be provided. We are always happy to accept any extra jugs to use at future events.
